

WE DID IT!!! MAY 12 WAS A LEAD
BUT WE GOT TO DO IT
EVEN BETTER THAN THAT!!!

get it!!! JUNE 16
RUN OFF
ELECTION

On May 12, Kenneth Gibson, got 37,859 votes/more than twice as many as the next candidate, incumbent Addonizio, now indicted by the federal government for extortion.

Not only did Ken Gibson win, but the entire GIBSON TEAM, save one, came out on top. Out of 8 candidates running as THE COMMUNITY'S CHOICE, the candidates selected by the Black and Puerto Rican Convention, 7 came out in the top of the standings. They are TED PINCKNEY, RAMON ANESES, EARL HARRIS, DONALD TUCKER, Councilmen At-Large, DENNIS WESTBROOKS, Central Ward Councilman, and SHARPE JAMES, South Ward Councilman. These are the men who make up the victorious GIBSON TEAM.

But because there were too many candidates running, the brothers could not get better than 50% of the total vote cast. For this reason, THERE MUST BE A RUNOFF ELECTION JUNE 16!!!

The runoff is final. Whatever vote we get then will be enough. But now all the people who voted for Impertate will probably be voting for Addonizio. So we must get not only the 37,000 who voted before but all those who did not vote before, who supported Gibson spiritually, they must be gotten out now to pull down the lever.

URGE YOUR FRIENDS AND NEIGHBORS TO COME OUT JUNE 16 AND VOTE IN THE RUNOFF.

DON'T LET DOWN NOW, WE GOT TO KEEP ON PUSHING. JUNE 16 WE GOT TO ALL COME OUT. COME DOWN TH'AM STAIRS, GET OUT THAT BED, BROTHER WE GOT TO DO IT NOW.
